Specifications

Fire Extinguisher - Foam	BF90AF
Product	
Code	BF90AF
Capacity	9.0LT
Rating	3A:20B
Overall Weight	13.5kg
Cylinder Height	635mm
Cylinder Diameter	180mm
Performance	
Operating Temperature	+1°C to +60°C
Test Pressure	2.5MPA
Operating Pressure at 23°C	1000KPA
Minimum Discharge Time	43 sec
