

Designed for quick response to class A fires, BFI water extinguishers are highly effective in domestic and industrial settings.

They're powerful. Serviceable. Easy to use. And they're rigorously tested on solids like paper, wood and fabric

Foam Extinguisher Features

- Australian Standard Certification by SAI Global (5 Ticks)
- High fire ratings
- High quality durable construction
- Mounting hook or bracket
- Five-year warranty

Specifications

Fire Extinguisher - Foam	BF90AW
Product	
Code	BF90AW
Capacity	9.0LT
Rating	2A
Overall Weight	13.5kg
Cylinder Height	635mm
Cylinder Diameter	180mm
Performance	
Operating Temperature	+1°C to +60°C
Test Pressure	2.5MPA
Operating Pressure	700 HPA
Minimum Discharge Time	90 sec
