Reliable protections for firefighting equipment

Bulbeck Fire stocks a full range of BFI-branded cabinets for all sizes of extinguishers.

We offer sizes to fit every type of extinguisher - in any environment. And because our stock list is so extensive, we can supply cabinets quickly - even at short notice.

It's all part of our end-to-end service. Everything you need. One point of contact.

Benefits of BFI extinguisher cabinets

- Safety - Limit the use of fire equipment to firefighting
- Guaranteed to work
- Guaranteed to fit
- Guaranteed to work
- Easily installed, reducing downtime
